The OpenAirInterface Software Alliance (OSA)
3-Clause BSD Software Grant and Corporate Contributor License Agreement
<https://www.openairinterface.org>

Thank you for your interest in The OpenAirInterface Software Alliance (the «Alliance»). In order to clarify the intellectual property license granted with Contributions from any person or entity, the Alliance must have a Contributor License Agreement (CLA) on file that has been signed by each Contributor, indicating agreement to the license terms below. This license is for your protection as a Contributor as well as the protection of the Alliance and its users; it does not change your rights to use your own Contributions for any other purpose. This version of the Agreement allows an entity (the «Corporation») to submit Contributions to the Alliance, to authorize Contributions submitted by its designated employees to the Alliance, and to grant copyright and patent licenses there to. If you have not already done so, please complete and sign, then email a pdf file of this Agreement to contact (AT) openairinterface (DOT) org. Please read this document carefully before signing and keep a copy for your records. **Note that you only need to sign and submit this document if you intend to CONTRIBUTE CODE to the OAI codebase.**

7. It is Your responsibility to notify the Alliance when any change is required to the list of designated employees authorized to submit Contributions on behalf of the Corporation, or to the Corporation’s Point of Contact with the Alliance.
