San Jacinto Garage to POB

LEFT: pathway from San Jacinto Garage to EER Building.

If parked in the San Jacinto Garage, walk south to the crosswalk and cross San Jacinto Street. Follow along 24th Street past the construction and take the alley on the right, just ahead of the Gary L. Thomas Energy Engineering building. This will lead you directly to EER & the Mulva Auditorium Foyer.

Inside the POB Building

Avaya Auditorium is on the same level as the building entrance, down the hallway on the left. Check-in will be just outside of the auditorium.
